

THE CORPORATION OF THE TOWNSHIP OF TAY

BY-LAW NO. 2010-23

**Being a By-law regulating the setting of open air fires,
including establishing the times during which open air fires
may be set and to repeal By-law No. 2000-40**

WHEREAS Part 7.1(1)(b) of the Fire Protection and Prevention Act, 1997, as amended provides that the Council of a local municipality may pass by-laws regulating the setting of open air fires, including establishing the times during which open air fires may be set;

NOW THEREFORE, the Corporation of the Township of Tay hereby enacts as follows:

1.0 DEFINITIONS:

In this By-law:

“Applicant” means a person, organization, company or group that makes application to the Fire Chief for permission to set or conduct an open air burning;

“Barbeque” means an appliance or structure designed and intended solely for the cooking for food in the open air, including a hibachi, and any other similar commercially manufactured device designed and intended solely for the cooking of food in the open air, but does not include devices predominantly designed for personal warmth, fire pits or campfires;

“Chief Fire Official” means the Fire Chief and/or his or her designate;

“Chiminea” means a clay, porcelain or metal receptacle used for the purposes of burning and constitutes as an open air fire under this by-law;

“Extinguish” means to put out or quench a fire completely, no smoke, hot or glowing embers are to remain;

“Fire Pit” means a fire burn area specifically designed for open air burning;

“Open air burning” means the burning of any material outside of a building, including without limiting the generality of the foregoing, wood, cardboard, brush or garden waste where the flame is not wholly contained and is, thereby, open to the air;

“Officer” means a Municipal Law Enforcement Officer, Police Officer, Chief Fire Official or Designate;

“Owner” means the registered owner of the land on which open air burning occurs, and includes a trustee acting on behalf of the registered owner, the estate of a registered owner and a person with a leasehold interest in the land;

“Recreational Open Air Burning” means a small, controlled and contained fire for the purpose of cooking, warmth or personal enjoyment;

“Township” means the Corporation of the Township of Tay;

“Yard Waste” includes but is not limited to grass, leaves, trees, brush trimmings, spent flowers, garden plants, weeds, pine needles, hay, straw and sawdust.

2.0 GENERAL PROHIBITIONS

- 2.1 No person shall set or maintain a fire in open air unless a permit has been issued by the Township under this by-law.
- 2.2 Only the property owner or agent shall apply for a fire permit. The agent must have written permission from the property owner to apply for a fire permit.
- 2.3 The Chief Fire Official may declare a total ban against open air burning when the atmospheric conditions or local circumstances make such fires hazardous. Bans against burning shall be advertised through the local media.

3.0 PERMITS

- 3.1 Notwithstanding any other provisions of this By-law, the Chief Fire Official may issue a fire permit to an applicant and approve any open air burning subject to the fire being adequately supervised, and to any special conditions the Chief Fire Official may direct.
- 3.2 An applicant setting, conducting or permitting an outdoor burning authorized by a permit issued under this By-law shall comply with all conditions of such permit and the provisions of this By-law.
- 3.3 The Chief Fire Official may withdraw permission for and/or stop an open air burning if, in his or her opinion, the fire presents a fire hazard, smoke produced by the fire is causing visibility concerns on roads in the area of the burn, the weather has deteriorated and has become unfavorable for an open air burning, conditions attached to the granting of permission are not being adhered to, or if this By-law is being contravened.
- 3.4 Upon the notification of the withdrawal of permission by the Chief Fire Official, the applicant or the owner shall immediately extinguish the fire. If the applicant or the owner fails to immediately extinguish the fire upon such notification, the Chief Fire Official may take action to have the fire extinguished, and the applicant and/or the owner may be held liable for any and all costs incurred by the Fire Department to extinguish the fire. Where applicable, such costs shall be calculated in accordance with the Fee By-law.
- 3.5 A fire permit shall not be issued unless the emergency number or street number is posted and clearly visible from the road.
- 3.6 A recreational and non-recreational open burning permit is valid from the time of issuance to December 31 of the current year.
- 3.7 A non-recreational open air burning which the fire pit is larger than three (3) feet by three (3) feet in size, the permit is valid for a time period no longer than 7 days in duration and must be approved by the Chief Fire Official.

4.0 RECREATIONAL OPEN AIR BURNING(campfires)

- 4.1 Every person conducting a recreational open air burning shall confine the fire to either an open air burning device or to a fire pit with a burn area no larger than three (3) feet by three (3) feet in size.

- 4.2 Every person conducting a recreation open air burning shall take all reasonable steps to ensure that adjacent properties and individuals are protected from any fire hazard and are not adversely affected by the products of combustion.
- 4.3 No person conducting a recreational open air burning shall burn materials other than commercially produced charcoal, briquettes or clean, dry, seasoned wood, and in particular no painted wood, pressure treated wood or creosote treated wood, or any type of yard waste may be burned.
- 4.4 No person conducting a recreational open air burning shall burn wood having a dimension greater than the size of the open air burning device or burn pit. All such fires shall be totally confined within the open burning device or fire pit at all times.
- 4.5 Every person conducting a recreational open air burning shall confine the fire to a location that provides for a minimum distance of twenty (20) feet from combustible structures or objects.
- 4.6 Every person conducting a recreational open air burning shall have immediately available for use an effective extinguishing agent or device of sufficient size and with the capability of extinguishing the fire.
- 4.7 Every person conducting a recreational open air burning shall ensure the fire is attended, controlled and supervised at all times by a competent adult and that the fire is completely extinguished before the open air burn site is vacated.
- 4.8 No person shall conduct a recreational open air burning when the wind speed exceeds twenty-four (24) kilometers per hour, or at times when a smog alert for an area including the Township has been declared by the Ministry of the Environment for Ontario.
- 4.9 No person shall conduct a recreational open air burning when rain is present.
- 4.10 No person shall conduct more than one recreational open air burn (fire) per residence.
- 4.11 No person shall conduct a recreational open air burning upon any land owned by the Township without having first obtained permission to do so from the Chief Fire Official.
- 4.12 No person shall conduct a recreational open air burning between the hours of 12:00 a.m. and 8 a.m.
- 4.13 Every person conducting a recreational open air burning shall take any other precautions as may be reasonably necessary to prevent the fire from getting beyond control, causing damage, or becoming a danger to life and/or property.
- 4.14 No person shall conduct a recreational open air burning in which any kitchen garbage, construction materials or materials made of/or containing rubber, plastic or tar are burned.

- 4.15 If the Fire Department attends at a recreational open air burning to respond to public safety concerns due to fire hazard, whether in response to a complaint or otherwise, the Chief Fire Official has the discretion to order the fire extinguished and/or brought into compliance with this By-law and this order shall be final. Any person conducting such fire and the owner shall comply with the order of the Chief Fire Official. If the person conducting the fire or the owner fails to comply as directed, the Chief Fire Official may take action to have the fire extinguished or otherwise brought into compliance, and that person and/or the owner may be held liable for any and all costs incurred by the Fire Department to extinguish the fire or bring it into compliance. Where applicable, such costs shall be calculated in accordance with the Fee By-law.
- 4.16 Every owner shall ensure that all recreational open air burning on his or her land complies with sections 4.1 through 4.15 of this By-law.

5.0 NON-RECREATIONAL OPEN AIR BURNING

- 5.1 Every person conducting a non-recreational open air burning shall confine the fire to either an open air burning device or to a fire pit with a burn area no larger than three (3) feet by three (3) feet in size, unless approved by the Chief Fire Official.
- 5.2 No person shall conduct any non-recreational open air burning in which any kitchen garbage, construction materials or materials made of/or containing rubber, plastic or tar are burned.
- 5.3 Every person conducting a non-recreational open air burning shall burn only clean, dry seasoned wood or yard waste as defined in this By-law.
- 5.4 Every person conducting a non-recreational open air burning shall take all reasonable steps to ensure that adjacent properties and individuals are protected from any hazard and are not adversely affected by the products of combustion.
- 5.5 Every person conducting a non-recreational open air burning shall confine the fire to a location that provides for a minimum distance of twenty (20) feet from combustible structures or objects.
- 5.6 Every person conducting a non-recreational open air burning shall ensure the fire is attended, controlled and supervised at all times by a competent adult and that the fire is completely extinguished before the open air burn site is vacated.
- 5.7 Every person conducting a non-recreational open air burning shall have immediately available for use an effective extinguishing agent or device of sufficient size and with the capability of extinguishing the fire.
- 5.8 No person shall conduct a non-recreational open air burning when the wind speed exceeds twenty-four (24) kilometers per hour, or at times when a smog alert for an area including the Township has been declared by the Ministry of the Environment for Ontario.
- 5.9 No person shall conduct a non-recreational open air burning when rain is present.

- 5.10 Every person conducting a non-recreational open air burning shall take any other precautions as may be reasonably necessary to prevent the fire from getting beyond control, causing damage, or becoming a danger to life and/or property.
- 5.11 No person shall conduct more than one non-recreational open air burn (fire) per residence.
- 5.12 No person shall conduct a non-recreational open air burning during the period from one half hour before sunset and one half hour after sunrise.
- 5.13 If the Fire Department attends at a non-recreational open air burning to respond to public safety concerns due to fire hazard, whether in response to a complaint or otherwise, the Chief Fire Official has the discretion to order the fire extinguished and/or brought into compliance with this By-law and this order shall be final. Any person conducting such fire and the owner shall comply with the order of the Chief Fire Official. If the person conducting the fire or the owner fails to comply as directed, the Chief Fire Official may take action to have the fire extinguished or otherwise brought into compliance, and that person and/or the owner may be held liable for any and all costs incurred by the Fire Department to extinguish the fire or bring it into compliance. Where applicable, such costs shall be calculated in accordance with the Fee By-law.
- 5.14 Every owner shall ensure that all non-recreational open air burning on their land complies with sections 5.1 through 5.13 of this By-law.
