

Applications for Volunteers **Municipal Horticulture Committee**

In December 2008, Council approved the creation of a new Horticulture Committee whose purpose is to foster civic pride, environmental responsibility and beautification through community participation in horticulture.

The Horticulture Committee has started planning for projects like a plant/flower exchange, a community garden, a garden tour and more; however, they need your help to make these projects a success.

The Committee is looking for volunteers to assist with:

Event organization

Planting and gardening work/maintenance

General volunteers assistance

If you are interested in volunteering with this Committee, please contact the Clerk by mail, e-mail or fax.
