

Waubashene Residents Please Be Advised

Commencing June 7th for a period of 6 to 8 weeks, the Waubashene Standpipe will be undergoing required repairs and maintenance. To conduct the necessary maintenance the tower must be emptied to allow for the coating of the outside of the standpipe.

To ensure the safety of our residents the Township asks residents to refrain from unnecessary water use to ensure adequate fire coverage.

A **FIRE BAN** will be in effect until maintenance is complete.

We thank the residents in advance for their cooperation and understanding.
